

**A Century of Progress with Pride**

## **Notice of City Updates**

### **Resident Parking Only 3 a.m. to 6 a.m.**

Resident Parking Only between the hours of 3 a.m. and 6 a.m. is now in effect citywide. This restriction is seven days a week and is in addition to any other parking restrictions posted on your block. Any non-resident that parks on a City street will be ticketed, unless an official visitor's pass is properly displayed. Berwyn residents are responsible for providing visitor passes for any non-residents that wish to visit their homes during this period. Each household can receive two annual visitor passes. Any additional passes will need to be purchased. Passes can be obtained at the Parking Division at the Police Department with proof of a current vehicle sticker or proof of residency if you do not own a vehicle. Passes are also available at City Hall at the same time vehicle stickers are purchased.

### **City-wide 25 mph Speed Limit**

The speed limit for all city streets will be 25 mph unless posted otherwise. All alley speed limits are 15 mph unless posted otherwise.
