

**A Century of Progress with Pride**

Dear Berwyn Commercial Properties,

This is just a friendly reminder to inform all Commercial properties to be aware of some common violations which are listed below. While this is not a complete list, it includes things that you may want to look at and correct in order to avoid any fines that may incur. Thank you for your cooperation by doing your part in order to keep our city looking beautiful.

<b>Dumpster</b>		<p>Maintain the exterior premises free of accumulation of trash, garbage, brush or construction materials that would encourage the infestation of rats, vermin, insects, rodents, and other pests.</p> <ul style="list-style-type: none"><li>➤ Lid must be down at all times.</li></ul>
<b>Rats/ pets</b>		<p>It is your responsibility to provide continual extermination of insects, rats, rodents, and other pests within all the inside and outside space of the property.</p> <ul style="list-style-type: none"><li>➤ Please take any required measures to prevent the continuing occurrence of pest infestation.</li></ul>
<b>Overgrown Grass &amp; Weeds</b>		<p>All premises and exterior shall be maintained free from grasses, weeds, or plants growth. [Front &amp; Rear of property]</p>
<b>Grease Bins</b>		<p>Grease bin must be cleaned and free of oil spills at all times.</p>
