**CITY OF BERWYN**

**LED REPLACEMENT ROADWAY LUMINAIRES PROJECT**

Bid Opening: 1:30 p.m. on Thursday, April 16, 2015

The attention of all prospective bidders for the City of Berwyn's LED Replacement Roadway Luminaires Project is directed to the following two (2) items:

- 1. The information on item 7-g of Section I, located on page 4 of 23 of the proposal packet has changed from:**

**g. Product Submittal Form – Attachment A**

**To:**

**g. Submittal of appropriate product sheets and specifications for any proposed “approved equal” listed in Attachment A**

Please replace the attached page 4 showing this change into the proposal packet.

- 2. If a bidder wishes to submit more than one proposal, each proposal after the first is to be considered an alternate. These alternate proposals are to have their own separate sealed proposal packets and should be clearly marked “Alternate Proposal” along with the bidders name in plain view throughout their submitted proposal documents.**

**In addition, please sign and date in the spaces provided on page 17 of 23, Section V Company Information & Signature Sheet, of the proposal packet as acknowledgment of receipt of this information.**

6. All prices/discounts shall be F.O.B. destination and shall include all charges that may be imposed in fulfilling the terms and conditions of the contract.
7. The proposal must be consistent with the specifications listed herein and submitted in the following format, including the following information:
  - a. The proposal must be summarized in letter format on the Proposer's letterhead. The proposal must be signed by an officer of the Proposer or a designated agent empowered to bind the firm in the contract offer. Acceptance or exception to our terms must be noted on the proposal.
  - b. Detailed but precise list of the line items, quantities, and unit costs pertaining to the required work as described herein.
  - c. Complete description and/or specification of the light-pole mounting hardware.
  - d. Complete description and/or specification of the luminaire.
  - e. Photometric IES LM-79 and LM-80 test reports for each luminaire type
  - f. TM-21 lumen maintenance report for each luminaire type based on operating current shown in LM-79
  - g. ~~Product Submittal Form — Attachment A~~ **Submittal of appropriate product sheets and specifications for any proposed "approved equal" listed in Attachment A**
  - h. Buy American Documentation
  - i. Complete description and/or specification of construction requirements.
  - j. Any other requirements specified in Attachment A.
  - k. Items required per Section III.
  - l. At least (3) references from companies or agencies that have acquired similar services from your company. The company's name and address, a contact name, title and phone number, must be included with the reference information (Section IV).
  - m. A completed and signed Company Information & Signature Sheet (Section V); delivery information must also be completed in this section.

**NOTE: Proposers are required to submit the required information listed above. The City reserves the right to reject proposals that the City considers incomplete due to the omission of the required information.**

**C. GENERAL REQUIREMENTS:**

1. Professional workmanship shall meet or exceed existing industry standards.
