

At last night's City Council, Mayor Robert J. Lovero with the approval of City Council appointed Michael Cimaglia as Police Chief. Chief Cimaglia has served our Berwyn Police Department for the last thirty years starting as an Auxiliary Officer, Patrolman, Detective, Watch Commander, Division Commander and most recently in the position of Acting Chief of Police. Thank you to Chief Cimaglia to so many years of service to our City, and we look forward to his leadership at the Berwyn Police Department.

In addition to Chief Cimaglia, residents Vincent Zaworski was appointed to the Historic Preservation Commission and Cathy Norden to the Zoning Board of Appeals.

Lastly, Chief Cimaglia gave an honorable mention to the police officers that worked together to investigate the double homicide of Ira and Tommie Moore (husband and wife) that occurred on March 31, 2017. Within 7 days, the police were able to identify a suspect and with the evidence collected, were able to have him criminally charged with 2 counts of First Degree Murder. Great job done by our Berwyn Police Department.
