

January 5, 2018

Dear Residents,

Open 4 Business, LLC will be filming scenes for the NBC series Chicago Fire in your neighborhood on Thursday and Friday, January 11th & 12th 2018. The scene will take place at night on the 6900 block of Riverside Drive in Berwyn; it involves a fire at a character's house and our firemen responding to it. We are working with the City of Berwyn, Berwyn Police Department and Fire Department to insure a safe and secure environment for the crew and the residents. For this reason, there will be **NO PARKING** on the following streets:

Thursday, January 11th 2018 from 9am until 6am Saturday, January 13th

**The SOUTH SIDE of 24th Street from Home Ave. to Clinton Ave.
BOTH SIDES of Riverside Drive from Clinton Ave. to Kenilworth Ave.**

Street closures will take place between the hours of 5pm – 9pm on the 11th and between 4 pm on the 12th and 3 am on the 13th. All handicap parking will be exempt from these No Parking restrictions.

Residents affected by the "No Parking" areas can park on a convenient side street or in the Cermak Plaza lot behind the closed Meijer's store. We will do any necessary snow removal for easy access.

Because most of the scene takes place at night, it will require the use of specifically placed night-lights to illuminate the filming location. These lights will not shine directly into the windows of houses in the area. The night-lights will be placed on the:

- **WEST SIDE of Grove Ave. between Riverside Drive and the alley**
- **EAST SIDE of Clinton Ave. between 24th St. and approximately 150ft. North**
- **EAST SIDE Home Ave. north of Riverside Drive.**

The Chicago Fire Location Department would like to thank the City Of Berwyn and its residents for allowing us into your community, and we look forward to the shoot. If you have any questions or concerns please contact the Locations Department Personnel listed below.
