Re: **2016 PY CDBG Water Main Improvements
14th Street
Construction Update**

Dear Sir/Madam:

Per a previous notice we informed that the City awarded contracts for the repairs to the following sections of roadway:

- 14th Street from Lombard to Cuyler Avenue

The water main work will be completed on 14th Street by the Cerniglia Company of Melrose Park. Roadway and sewer work on 14TH will follow and be completed by the M&J Asphalt Paving of Cicero, Illinois.

Work is scheduled to begin on the Water Main on 14th Street on Monday, August 27, 2017. It is anticipated that all work will be completed by September 29, 2017.

As a reminder, during construction there will be no parking on 14th Street and limited parking between the hours of 7 AM to 5 PM on Harvey and Highland Avenues. Your cooperation with the parking will assist the projects smooth operation and reduce the delays in the works progress. We know that at times construction can be frustrating; however, we want to lessen your disturbances as much as possible throughout the construction process. Upon review of this information or if at any time you have concerns about the project, please contact our office so that we may help resolve the issues as soon as possible.

We thank you in advance for your patience and understanding during the construction of these improvements. Upon completion of these improvements, the community will enjoy the improved roadway and watermain for years to come.

Very truly yours,

EDWIN HANCOCK ENGINEERING CO.
