MINUTES
BERWYN CITY COUNCIL
COMMITTEE OF THE WHOLE
August 23, 2016

1. Mayor Lovero called the Committee of the Whole to order at 7:00 p.m.; upon the call of the roll the following responded present: Chapman, Boyajian, Paul, Fejt, Santoy, Polashek, Avila and Laureto. Absent: None.
2. Review communication regarding Food Trucks from 8th Ward Alderman Laureto. The Mayor stated once again, that he would not be in favor of allowing food trucks in Berwyn on a regular basis, but is in favor of allowing on a temporary basis for festivals and events. Alderman Laureto noted that this was brought to her attention by several business owners on Roosevelt Road that would like to be able to have food trucks for events. The Mayor recognized Elizabeth Pechous, President of the Berwyn Township Public Health District who noted the problem with regulating and monitoring any food trucks licensed in Berwyn. The Mayor noted that the City would most likely only allow those already registered and licensed in Chicago and or perhaps Oak Park or other communities that currently issue Food Service Licenses to food trucks. Discussion ensued regarding the Berwyn Township Public Health District issuing temporary food service permits, as they currently do for special events and festivals. Pechous stated that would not be a problem to issue and monitor much like the Health District does already for City approved events. Discussion continued on allowing on a regular basis or limiting to special events, with the council in leaning in favor of only special events. The Mayor stated the City will do some more research to prepare an ordinance addressing and allowing food service trucks and limiting them to special events.
3. The Mayor asked if there were any questions on tonight's agenda items. There being none, the Mayor recognized Clerk Pavlik who brought a last minute request from the residents of the 1900 block of Clinton requesting to hold a block garage sale on September 10th and 11th, 2016, which is prior to the next time the council meets. Pavlik requested to grant them permission and to place the item on the next council meeting consent agenda, after the fact, to officially approve, noting that they are requesting special permission to hold on their front lawns. Brief discussion ensued regarding the history and wishes of council on allowing block garage sales on front lawns. Thereafter, the Mayor asked for a consensus to grant permission, with council 8-0 in favor.
4. The Mayor recognized City Attorney Anthony Bertuca who informed council of the legal matter of Woods v. Hamilton and the City of Berwyn has been dismissed.

COMMITTEE OF THE WHOLE
August 23, 2016

5. There being no further business for the open Committee of the Whole, the Mayor asked for a motion to close the Committee of the Whole for review of closed session minutes. Thereafter, Boyajian made a motion, seconded by Laureto, to close the Committee of the Whole at 7:30 p.m. The motion carried.
6. A motion was made in closed session by Avila, seconded by Laureto, to re-open the Committee of the Whole at 7:40 p.m. The motion carried.
7. A motion was made by Laureto, seconded by Chapman, to adjourn the Committee of the Whole at 7:40 p.m. The motion carried.

Respectfully submitted,

Re: Isaiah's Block Party Fundraiser 2500 block of Gunderson

Ladies and Gentleman;

On behalf of the family of Isaiah Wright, I request special permission be granted to hold a block party/fundraiser on Saturday September 17, 2016. Isaiah was scheduled to start High School this past week, but sadly, Isaiah passed away this Labor Day weekend. Funds raised were to go towards offsetting the families mounting medical bills and cancer research. Every resident of the block has been notified and are in agreement to participate, no admission will be charged and all donations and raffles proceeds will go towards the Go Fund Me account <https://www.gofundme.com/24yth6yk> to help pay for funeral costs. I respectfully ask for your concurrence in granting permission to the family to host this block party/fundraiser.

Sincerely,

Thomas J. Pavlik, MMC

For the thrid year the CCACC will be organizing a vendor booth area in front of our community center, 6635 W. Cermak Rd. and is requesting City Council consent and permission for the following:

Permission to set up vendors tents in front of the CCACC for: food, beer, wine and live entertainment on **Sunday, October 2nd, 2016 from 1100 a.m. until 7:00 p.m.** for the Houby Day Parade and to use parking spaces east of center on Cermak Rd. CCACC will provide to the City proper insurance and license information prior to the event.

I ask that you approve this communication to allow the corporate authorities to sign the agreement and approve the items as requested.

Thank you for your consideration.

Respectfully Yours,

Theodore J. "Teddy" Polashek

SUBJECT: Parking Restriction change for the 6600/6700 blocks of 34th St. & 3400 blk of Wesley Ave.

Ladies and Gentlemen,

Please see the attached petition and cover letter signed by the residents of the 6600/6700 blocks of 34th St. & 3400 blk of Wesley Ave.

I am requesting we refer this communication to the Nicole Campbell our Senior engineer.

Thank you for your consideration.

Re: Parking Restriction changes for 6600/6700 blocks of 34th Street and 3400 block of Wesley Ave.

Dear Alderman Chapman,

Please see the attached petition signed by the residents of the 3400 block of Wesley Ave and 6600/6700 blocks of 34th Street. The petition asks that the City of Berwyn change the 24 hour parking restrictions.

Currently, restrictions for these three blocks are No Parking 24 hours a day, seven (7) days per week. All visitors must have a pass in the window regardless of weekends and holidays.

Residents would like to see these restrictions modified to Resident Parking Only from 8:00 a.m.- 10:00a.m. and 2:00 p.m. and 4:00p.m; Monday through Friday.

Approximately ten (10) years ago the City changed the restrictions to 24 hour without asking for resident input. It is burdensome and expensive to require residents to continually purchase passes for their guests. It is particularly difficult on the weekends.

Kindest Regards,
6600/6700 34th Street
3400 block of Wesley Ave

Request to Change Parking Restrictions**

We, the below residents of the above blocks, would like to petition the City of Berwyn to change the current parking restrictions. Our blocks are restricted 24 hours per day, 7 days per week. These restrictions cause a burden for residents particularly on the weekends for visiting family and friends. The previous restrictions would continue to discourage commuters and hospital staff from parking on these residential blocks. The previous restrictions read:

**Resident Parking Only
8:00 a.m. - 10:00 a.m.
2:00 p.m. - 4:00 p.m.
Monday thru Friday**

... must continue to provide visitors passes between these and overnight

Ad Hoc Zoning Committee Meeting Minutes

Convened: Wednesday, August 31, 2016 5:30 pm

Adjourned: Wednesday, August 31, 2016 5:45 pm

Present

Cesar Santoy, 5th Ward Alderman, Committee Chair
Alicia Ruiz, Local Realtor, BHPC Member, ZBA Member
Nasri Mansour, Community member
Charles Lazzara, Building Department Director
Kurtis Pozgay, Former Berwyn Development Corporation Staff member
Kristin Ihnchak, Chicago Metropolitan Agency for Planning (CMAP)
Jacob Seid, Chicago Metropolitan Agency for Planning (CMAP)

Goal of the meeting was to evaluate and accept or reject the final CMAP recommendations as listed below:

Height Standards

1. R-2: Lowering the permitted height to the gutter from 23 ft to 15 ft
2. R-2: If there is no addition, the maximum height of the building, measured to the mid-point between the eaves and ridge of the roof, will be 20 ft. If there is an addition, the standards below will apply
3. R-1: Removing the 23 ft to gutter requirement from the R-1 District (since the majority of historic bungalows will now be in R-2)

Addition Standards

4. Additions must be set back 15 ft from the front facade of the building and must maintain any existing front dormer
5. Additions shall not result in an overall building height of over 24 or 28 ft (City's choice) as measured from grade to the mid-point of the roof
6. Second floor additions must have a similar roof pitch as the original structure
7. Additions must be constructed of the same, or comparable, material, as the predominant material of the structure (typically brick)
8. Additions must include compatible window openings, trim, eaves, and other details

Zoning Map

The proposed zoning map will also need to be revised to ensure that the new R-2 District includes as many of the City's historic bungalows as possible without creating districts that appear to be spot

zones. We will work on a draft map for this, which will be largely based on the original map sent by the ad-hoc committee, but will likely omit some of the small (1-2 block) areas).

CMAP ZONING AND MAP RECOMMENDATIONS

The committee voted unanimously regarding the following recommendations with an initial motion by K. Pozgay and a second of the motion by Alicia Ruiz:

Recommendations Accepted:

1. R-2: Lowering the permitted height to the gutter from 23 ft to 15 ft
2. R-2: If there is no addition, the maximum height of the building, measured to the mid-point between the eaves and ridge of the roof, will be 20 ft. If there is an addition, the standards below will apply
3. R-1: Removing the 23 ft to gutter requirement from the R-1 District (since the majority of historic bungalows will now be in R-2)
4. Additions must be set back 15 ft from the front facade of the building and must maintain any existing front dormer
5. Additions shall not result in an overall building height of over 28'-0" as measured from grade to the mid-point of the roof
6. Second floor additions must have a similar roof pitch as the original structure

Recommendations Accepted with final wording and coordination by CMAP:

7. Additions must be constructed of the same, or comparable, material, as the predominant material of the structure and shall exclude vinyl siding and shall use compatible colors.

Recommendations Rejected:

8. Additions must include compatible window openings, trim, eaves, and other details

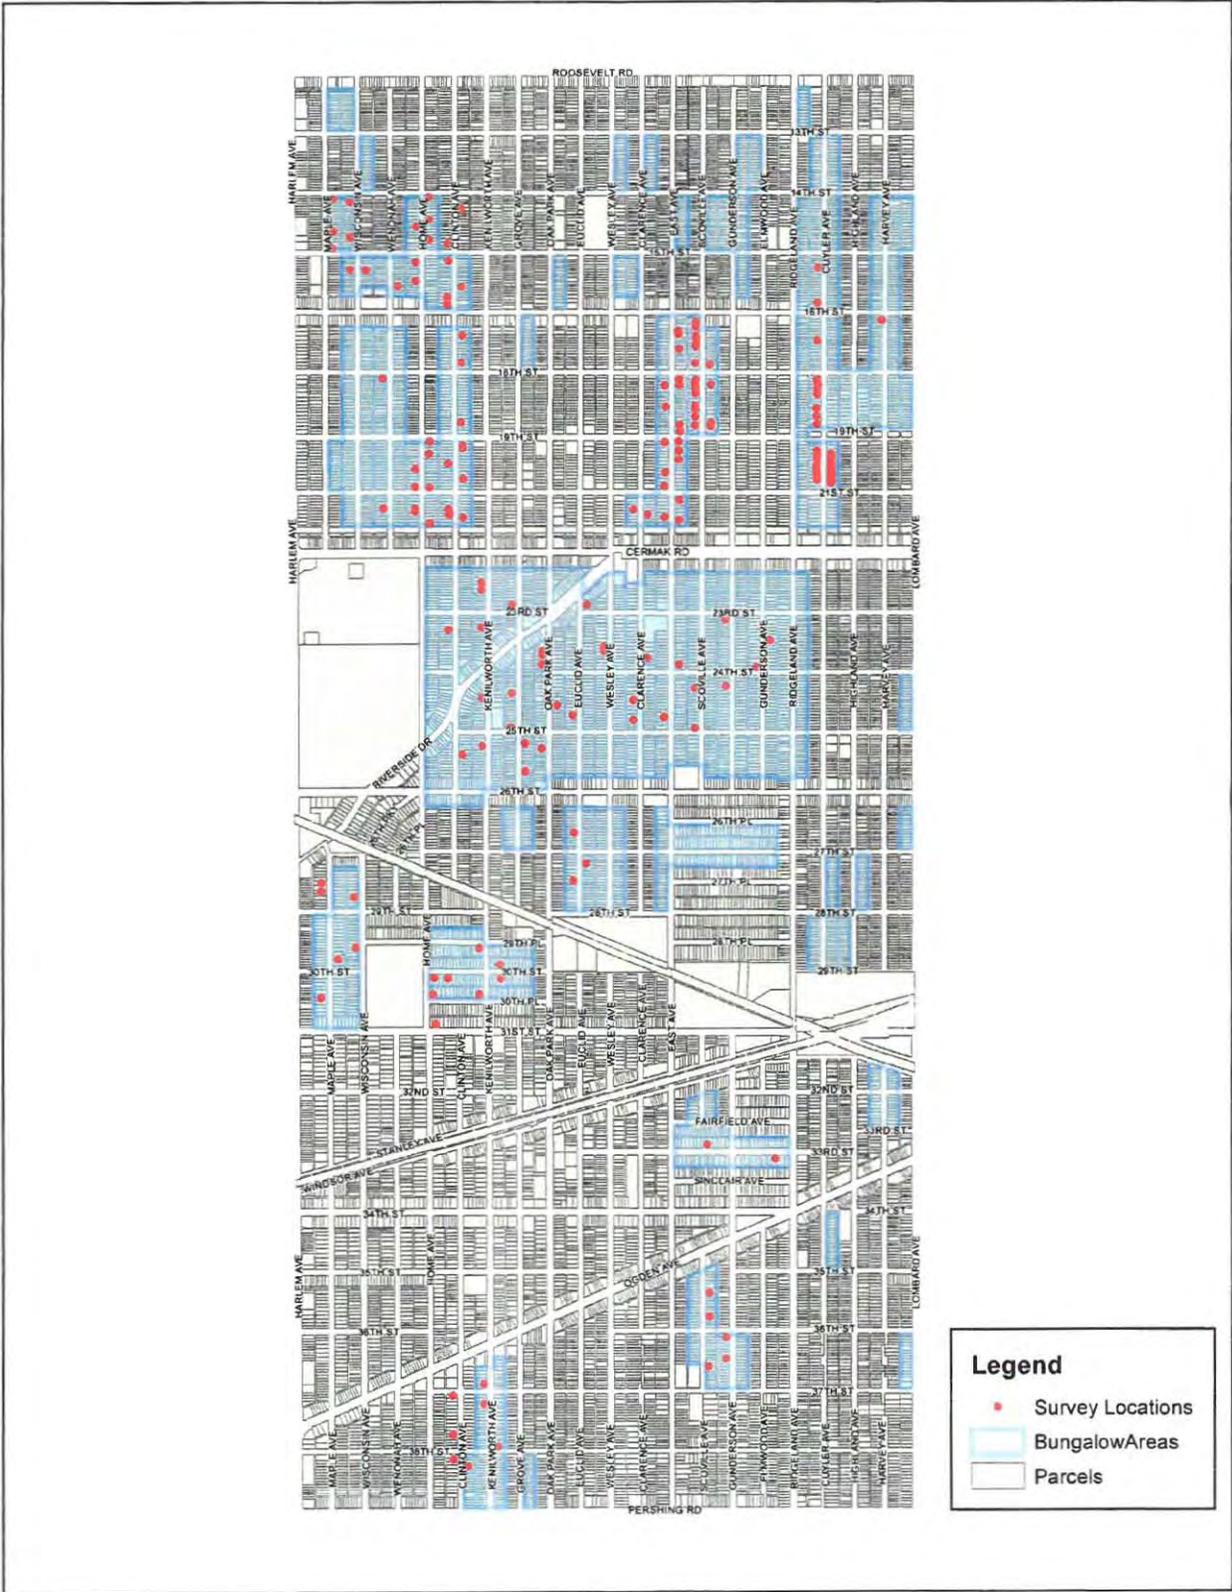

Zoning Map Recommendation accepted:

Zoning map for R-2 District to exclude smaller, incongruous blocks per CMAP's stated approach in the paragraph above. These blocks will be the smaller one to two block areas per the attached map.

AD HOC ZONING COMMITTEE

Given that CMAP is close to finalizing its work product the committee voted unanimously to disband this committee with an initial motion by A. Ruiz and a second of the motion by Charles Lazzara.

**A RESOLUTION APPROVING THE CITY OF BERWYN'S
Cost Allocation, Allowability and Reasonableness Policies and Procedures
FOR USE WITH GRANTS FROM THE U.S. DEPARTMENT
OF HOUSING AND URBAN DEVELOPMENT (HUD)**

WHEREAS, the City of Berwyn ("CITY") is a Home Rule Unit of Government pursuant to and as defined in Article 7 Section 6 (a) of the 1970 Illinois Constitution; and

WHEREAS, said Section of the Constitution authorizes a home rule unit of government to exercise any power, and perform any function, pertaining to its government affairs; and

WHEREAS, the 1970 Illinois Constitution, Article VII Section 10 and the Intergovernmental Cooperation Act provide authority for intergovernmental cooperation; and

WHEREAS, the Community Development Department developed, pursuant to HUD regulations and for use with HUD Grants, **Cost Allocation, Allowability and Reasonableness** Policies and Procedures, which meets HUD's requirements; and

WHEREAS, after due deliberation the Mayor and the City Council finds it would be in the best interest of the CITY to approve the **Cost Allocation, Allowability and Reasonableness** Policies and Procedures as drafted by the City's Department of Community Development.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND THE CITY COUNCIL OF THE CITY OF BERWYN, COOK COUNTY, ILLINOIS, as follows:

SECTION 1:

That the Corporate Authorities of the CITY hereby approve the **Cost Allocation, Allowability and Reasonableness** Policies and Procedures attached hereto and as drafted by the City's Department of Community Development.

SECTION 2:

That the Mayor and City Clerk are hereby directed and authorized to forward copies of the **Cost Allocation, Allowability and Reasonableness** Policies and Procedures as drafted by the City's Department of Community Development to HUD, and to maintain same as the policies and procedures of the City of Berwyn when applying for grants from HUD.

Cost Allocation, Allowability and Reasonableness

Policies and Procedures
9/__/16

Introduction

The concepts of cost allocation, allowability and reasonableness address directly the legitimacy of a cost charged against a specific project. Determination of allocation, allowability and reasonableness of a given expense is based on specific guidelines of the City of Berwyn and according to federal cost principles.

Cost allocation, allowability and reasonableness are defined and determined by the City of Berwyn, the Office of Management and Budget (OMB), and HUD regulations and policies. It is the City of Berwyn's policy that costs charged to a specific project must be allowable, allocable, and reasonable to that project. Each cost charged against a specific project is evaluated against these three concepts.

The Director of the Community Development Department is responsible for insuring all costs charged to a specific project are allowable, allocable and reasonable pursuant to this policy. Proper forms must be included with each request for payment. To evaluate and approve administrative or program costs requested by the City, the Director shall include with each submission for payment a "City of Berwyn Voucher Form" and as needed a "City of Berwyn CDBG Drawdown Spreadsheet for Non-Payroll Eligible Costs". To evaluate and approve subrecipient program costs, the Director shall include with each submission for payment a "City of Berwyn Subrecipient Voucher Form".

I. Allowability

Except where otherwise authorized by the OMB or HUD, costs must meet the following general criteria in order to be allowable:

- (A) The cost must be necessary and reasonable for the performance of the project, and be allocable to the project under these principles.
- (B) The Cost must conform to any limitations or exclusions set forth in this policy or in the Federal award as to types or amount of cost items.
- (C) The cost must be consistent with policies and procedures that apply uniformly to both Federal financed projects, and those projects accomplished without Federal funding.
- (D) The cost must be accorded consistent treatment. A cost may not be allocated to a Federal funded project as a direct cost if any other cost incurred for the same purpose in like circumstances has been allocated as an indirect cost.
- (E) The cost must not be included as a cost or used to meet cost sharing or matching requirements of any other Federal financed program.
- (F) The cost must be adequately documented.

II. Reasonableness

A cost is reasonable if, in its nature and amount, it does not exceed the cost that would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. In determining reasonableness of a given cost, consideration must be given to:

- (A) Whether the cost is of a type generally recognized as ordinary and necessary for the proper and efficient operation of the project.
- (B) Such factors as: sound business practices; arm's length bargaining; Federal, state, or City of Berwyn laws, regulations or policies; and terms and conditions of the Federal award.
- (C) Market prices for comparable goods or services for the geographic area.
- (D) Whether the individuals concerned acted with prudence under the circumstances.
- (E) Whether the cost significantly deviates from the City of Berwyn's established practices and policies regarding the incurrence of costs.

III. Allocability

1. Costs for the building used for CDBG purposes are to be charged to the City's corporate budget. These costs include, but are not limited to: utilities (other than phone), maintenance, repairs, etc...

2. All other costs are to be allocated as follows:

- (A) A cost is allocable to a project if the goods or services involved are chargeable or assignable to a specific project in accordance with the relative benefits received.
This standard is met if the cost:
 - (1) Is incurred specifically for the project;
 - (2) Benefits both the project and another project, and can be distributed in proportions that may be approximated using reasonable methods; and
 - (3) Is necessary and proper to the overall operation of the project.
- (B) Except as provided for herein, all projects which benefit from a cost incurred by the City of Berwyn will receive an appropriate direct allocation of such costs. However, the Mayor of the City of Berwyn may waive the allocation of such cost to the project. This waiver may include, but is not limited to, the use by the project of City of Berwyn facilities, human resources services, accounting services, computers, and other such costs and services. It is the policy of the City of Berwyn that costs specific to the project, such as materials, office supplies, and other such costs and services specific to the project, shall be allocated to the project.
- (C) Any cost allocated to a project under this policy may not be charged to other projects to overcome fund deficiencies, to avoid restrictions imposed by Federal statutes, regulations, or terms and conditions of the Federal awards, or for other reasons
- (D) Direct cost allocation principles. Costs attributable to only one project shall be allocated to that project. If a cost benefits two or more projects in proportions that can be determined without undue effort or cost, the cost must be allocated to both projects based on the proportional benefit each receives from the cost. If a cost benefits two or more projects in proportions that cannot be determined because of the interrelationship of the work involved, then, notwithstanding paragraph (C) of this section, the costs may be allocated or transferred to benefitted projects on any reasonable documented basis.

This section of the City of Berwyn Community Development Department's Policies and Procedures is intended to be instructive for common types of costs. This section is not

exhaustive, and OMB and HUD rules and regulations should be consulted for more complex costs. Where advisable, HUD should be contacted for specific questions concerning an uncommon cost; preferably in advance of the incurrence of such a cost.

RE: FitzGerald's School of Rock Event

Dear Mayor Lovero and Members of the City Council:

I was notified by Bill FitzGerald today that the School of Rock event he had planned for this weekend was now requesting outside and inside venue. This event is for Saturday and Sunday, September 10th and 11th. The event starts at noon and ends at 8 o'clock on Saturday and 6 o'clock on Sunday. Part of this event will be held in the parking lot of FitzGerald's and have a fairly small footprint. There will be approximately 14 bands performing over the two days on two stages with families and friends coming to see the students perform.

Please place this communication on the consent agenda for Tuesday, September 13th as this is informational only.

Dear Mr. Pavlik,

Once again the time has come to respectfully request permission to conduct our "ID TOOTSIE ROLL DRIVE" in your area. On Friday, Saturday and Sunday, September 16, 17 and 18, 2016, the Msgr. John Farrell Berwyn Council # 4200 and their families, friends and volunteers will be distributing "TOOTSIE ROLLS" in return for donations for their ANNUAL INTELLECTUAL DISABILITIES DRIVE, with proceeds benefitting children and adults with mental disabilities and some physically challenged as well.

For over 50 years Msgr. John Farrell Berwyn Council # 4200 Knights of Columbus has had the honor and privilege of serving the community of Berwyn, and therefore we are thankful for the continued support you have always given to the original Berwyn Council #4200 Knights of Columbus in the past, and hopefully after these 50 plus years you would continue to do so again.

Sincerely yours

To The City of Berwyn

August 30, 2016

We are requesting permission to fund raise on traffic corners in Berwyn. The purpose is to raise money for leadership training. The goal is to train our members to then be able to train others in Cook County and in other places in the world to learn how to build better communities, be more responsible citizens and learn how to help build family and moral character. Areas in the world that we are focusing on to raise up leaders through World Missions are churches in Johannesburg; Bogotá, Colombia; Lagos, Nigeria; Seattle, Washington; Bangalore, India; Kinshasa, Republic of the Congo; Dubai; and Miami/FT. Lauderdale.

The fund raising event would be an activity of the Chicago International Christian Church established in 2006. We have responsibly fund raised at this intersection before. Our tax exempt identification number is: E9933-8688-02.

We are requesting the City of Berwyn to allow us specific dates for fund raising on the corners of Oak Park and Cermak Rd. Please consider the following dates: Friday September 23rd, and 30th; and Monday September 19th, 26th, and October 3rd of 2016 from 9am to 4pm.

Thank you for your continual support as we are trying to raise money to make a difference in people's lives not only in Cook County but also to make a difference around the world.

Thank you in advance and I look forward to hearing from you,

Re: Berwyn Fire Fighters Local 506 Cancer Drive

The Berwyn Fire Fighters Local 506 would like to conduct a "Pass the Helmet Drive" and go "Passionately Pink for the Cure" on October 1, 2016 to educate our Community about breast cancer and to raise funds for Susan G. Komen for the Cure. This would be our seventh year conducting this Drive in the City of Berwyn. In the past six years we raised over \$21,000.00 for the American Cancer Society.

As a member of the Berwyn Fire Fighters Association Local 506, I am requesting permission for our Firefighters, in conjunction with the Berwyn Fire Department to collect donations at various intersections though out the City of Berwyn.

This will take place on Saturday **October 1, 2016** and will go from **9:00 am to 12:00 pm.**

Thank you for your consideration in this matter.

To The Berwyn Village Board,

September 1, 2016

We are requesting permission to fund raise on traffic corners in Berwyn Village. The purpose is to raise money for World Missions. A portion of the money will be used for planting a church in Hong Kong, China, in the middle of next year. Through faith in God and fundraising, we are able to plant churches in Santiago, Chile, London, Sao Paulo, Brazil, Mexico City, Paris, France, Sydney, Aus., Chennai, India, Moscow, Russia, Manila, Philippines, Lagos, Nigeria, and Dubai, U.A.E. These plantings are a spring board for training campus, singles and marrieds in the Chicago area to be a part of something greater and to have vision to do great things for God. Another portion of the money will stay in Chicago to continue training the local teens, campus youth and singles from Cook County and our surrounding areas to continue leadership training. This training will help the area youth in building better communities, to raise up more responsible citizens, and help others learn how to build family and moral character.

The fund raising events would be an activity of the Chicago International Christian Church established in 2006. We are requesting the Village of Berwyn to allow us on specific dates for fund raising on the corners at **Harlem and Ogden Ave.** Would you please consider the following date? **October 8th**. These dates all fall on a Saturday. We plan to tag from **9 AM to 3 PM.**

Thank you for your support by allowing us to raise money in Berwyn that will truly change people's lives. With the combined fund raising we are in the process of training over 110 youth to take on leadership roles in the community and this number will only continue to grow.

Thank you in advance and I look forward to hearing from you.

We'd like to begin with a hardy Thank You for all of the support you have given to our 50,000+ Girl Scouts and our council during the past year (and in most cases, the past years!) Whether you gave us permission to be in your community, and/or purchased a box of Girl Scout Cookies® and/or supported our Fall Product Program, please know that **YOU** made a difference!

As you probably are already aware, our Council has two Product Programs per year that we host:

- Our **Fall Product Program** (with order taking from **October 1-23, 2016**, (with delivery before Thanksgiving) gives our girls the opportunity to earn start-up money for their troops.
- Our **Cookie Program** (with door to door order taking from **January 1-22, 2017**, (with delivery of those pre-orders in February and cookie booths from **February-May**) strengthens our girls' 5 Skills for Daily Life which are:
 - ✓ Goal Setting
 - ✓ Decision Making
 - ✓ Money Management
 - ✓ People Skills
 - ✓ Business Ethics

Most Girl Scouts participate in our **Fall Product Program** by asking family and friends for support but there are a few troops who host a booth sale in a local business and still some who sell door to door. During our **Cookie Program**, our girls do much the same but participation is much higher which I'm sure you can attest to as you see Girl Scouts ringing your doorbell, in front of your favorite Church, store or at a neighborhood meeting.

Thank you for being there for our girls as we begin our 105 year of making a difference!

Most Sincerely,

Mr. Thomas J. Pavlik
Berwyn City Clerk
6700 W. 26th Street
Berwyn, Il 60402

Dear Mr.Pavlik,

On Friday October 14th and Saturday October 15th, the Stickney Forest View Lions Club will solicit funds to help humanity. Our primary goal is to eliminate blindness from the world in our lifetime and to help the hearing impaired.

No matter the amount of the donation received, those giving will receive a packet of traditional flavored candy.

Since Berwyn has no Lions Club, we ask that you give us your City's permission to solicit funds throughout the Streets of South Berwyn.

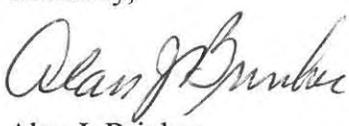

Our main areas would be at the train stations and Ogden and Oak Park & Harlem Avenues as well as at the Walgreens on Ogden

As you know, we will be "shaking our cans" and offering candy for a donation.

A copy of our liability Insurance is attached.

Thank you in advance for your anticipated permission.

Sincerely,

Alan J. Brinker
