

# LEAD WATER SERVICE LINE REPLACEMENT PROGRAM

Date:

Dear Resident,

The City of Berwyn is mandated by State and Federal law to replace all lead water service lines and has secured funding to begin their replacement program now. Residents are eligible for a FREE replacement through this program. Our records indicate that you have not signed up. We believe this is a great opportunity and highly encourage you to sign up!

To benefit from and participate in this program, each property owner must sign up at [gettheleadoutil.com/berwyn](http://gettheleadoutil.com/berwyn) or call Saul Contreras with the contractor, Miller Pipeline, directly at 224-290-0160. Additional information on the lead service line replacement program is available online at [gettheleadoutil.com](http://gettheleadoutil.com).

Below is important information on this project:

**Timeline:** August 2025-August 2026

**Project Area:** From 19th St to 16th St, Harlem Ave to Kenilworth Ave

The average cost per house to replace this pipe is approximately \$11,000.

**Cost:** While this is normally a homeowner expense, as part of this program, it will be replaced at **NO COST** to you.

**Additional Information:** FAQs and other information can be found at [www.GetTheLeadOutIL.com/faq](http://www.GetTheLeadOutIL.com/faq)

If you have any questions about the program, please contact Robinson Engineering, Ltd at 708-505-5287 or at [lslr@reltd.com](mailto:lslr@reltd.com).

Sincerely,

Robert J. Lovero  
Mayor
