WHY: The US Department of Health recommends eating two servings of seafood a week. Why? Seafood is not only low in fat, high in protein and jam packed with vitamins and minerals, but it's delicious too! The next round of Berwyn's Best has you covered! We're taking a dive into deep sea inspired dishes with Berwyn's Best Seafood. Seafood is an easy meal choice when there are various ways to eat it. From wood grilled to sandwich style to salads and pastas, the options are aplenty in Berwyn. There can only be one winner, though—help the BDC find the most sensational seafood fare in our quest to find Berwyn's Best Seafood.

Berwyn's Best Seafood Contest takes place in two rounds. Round 1 includes Berwyn-based restaurants that agreed to take part in the contest. Establishments must offer seafood on their regular menus. The participating locations are:

Round 1 is a multiple choice poll that asks the public to select up to five of their favorite Berwyn establishments that serve seafood on the menu. The poll is open until Friday, June 8 at 5:00 PM. The five most popular businesses advance to the second round. In Round 2, the Top 5 will identify their favorite specialty seafood dish that will be used in a second round of voting. Round 2 will bring together a group of local judges for a single taste-test event to compare each serving of seafood side-by-side. Their scores along with another public poll vote will determine the seafood that will be crowned as "Berwyn's Best."

"Berwyn's Best" is a promotional program managed by the Berwyn Development Corporation (BDC). Look for additional Berwyn's Best programming to sample all of the fantastic cuisine in our community.
