**MINUTES
BERWYN CITY COUNCIL
COMMITTEE OF THE WHOLE
November 22, 2016**

1. Mayor Lovero called the Committee of the Whole to order at 7:00 p.m.; upon the call of the roll the following responded present: Chapman, Boyajian, Paul, Fejt, Santoy, Polashek, Avila and Laureto. Absent: None.
2. The Mayor recognized Assistant City Administrator Ruth Volbre regarding Liability Insurance renewal. Ms. Volbre reviewed options after going out to bid and after researching the past history of claims, recommended raising the deductible from \$300,000 to \$350,000 for the same coverage of \$10,000,000. This would actually save a minimal amount over last year's premium. Les Peach from the Horton Group was also available to answer and questions or concerns.
3. The Mayor once again recognized Assistant City Administrator Ruth Volbre, along with Daniel Mackey from Mesirow Financial Services, regarding Worker's Compensation Insurance renewal. Ms. Volbre reviewed the options of coverage of bids received, noting the average municipal premium were up approximately 5% this year, but once again after researching the city's past claim history, recommended a \$900,000 self-insured retention policy, which would lower the premium by over \$10,000.
4. There being no further business for the open Committee of the Whole, the Mayor asked for a motion to go into closed session for pending litigation and review of closed minutes. Thereafter, Avila made a motion, seconded by Laureto, to close the Committee of the Whole at 7:11 p.m. The motion carried.
5. Avila made a motion in closed session, seconded by Boyajian, to re-open the Committee of the Whole at 7:21 p.m. Motion carried.
6. Thereafter, Santoy made a motion, seconded by Chapman, to adjourn the Committee of the Whole at 7:21 p.m. Motion carried.

Re: **Library Snow Contract**

Each year, the Library contracts out their snow removal. In order to assist the Director regarding her first snow season in Berwyn, city staff drafted an RFP, ran the ad for said services and posted the ad on our website. The City Clerk received three sealed bids – Bryan David Landscaping at \$15,675; Robert Andreas & Sons at \$19,950 and All Cleaners at \$22,792. Unfortunately, the low bidder Bryan David Landscaping, failed to submit a complete bid by omitting the required bond. Therefore, we are recommending the award to the next highest bidder – Robert Andreas & Sons.

Recommendation: Staff recommends that council authorize the City Administrator to execute a contract with Robert Andreas & Sons in the amount of \$19,950 for 2016 / 2017 Library snow services.

Sincerely,

Brian Pabst – City Administrator

Ruth Volbre – Assistant City Administrator

Re: Kitchen Renovation Project Update & Cardiac Monitor/Defibrillators Replacement

Honorable Mayor Lovero and Members of the City Council,

Due to the need to competitively and publicly re-bid certain aspects of the City Hall fire station kitchen renovation, the subsequent delay in awarding acceptable sub-contractor bids, and the "just in time" inventory method used by many distributors of commercial kitchen cabinetry/equipment, the project will not begin until after the first of the new year. Unfortunately due to laws & regulations relating to the calendar year budget method, we are unable to use the capital line item funds (which were approved at the October 25, 2016 City Council meeting Item J-1) from 2016, to pay for a purchase/project that will not commence or be completed until 2017. We will plan to add the kitchen renovation costs to the 2017 capital line item in the fire department budget and seek that approval at the appropriate time. While it's impossible to forecast any certain future needs which may arise during 2017, I am of the opinion that the likelihood of a major piece of equipment or apparatus needing to be replaced is minimal.

Therefore; I am seeking the City Council's approval to use the 2016 capital line item funds which remain unused to purchase three new Zoll X Series Manual Cardiac Monitors / Defibrillators. I also plan to purchase one Monitor / Defibrillator from remaining funds in the Equipment Line item, for a total of four new Monitor / Defibrillators, one for each of the front-line ALS ambulances, and one spare unit which can be used when the need arises to place the fourth/spare ambulance into service.

The fire department has sought funds to make this purchase through applicable grants for at least the last two years without success. The Zoll E-Series monitors that are currently in use were purchased in 2005 and have reached the end of their functional lives. Being eleven years old, these monitors do not have the functions that are required for ALS service today. Cardiac monitors are required by the Illinois Department of Public Health and are approved by the Loyola EMS system. As procedures and technologies evolve, newer features are required (such as capnography, which is the readout of ventilation perfusion levels; carbon monoxide monitoring; and 12-lead ECG transmission). It also should be noted that the industry wide accepted functional life-span of cardiac monitors is ten (10) years.

It is important to stay with Zoll-brand monitors/defibrillators for this purchase in order to maintain

uniformity of operations, procedures, and maintenance requirements. Zoll monitors were originally chosen in 2005 after the evaluation of various different brands for functionality, durability and price. The manufacturer, Zoll, is the sole supplier for these monitors/defibrillators; Competitive bids are not possible for the specific unit to be purchased.

It should also be noted; that several Chicagoland area fire departments, who also have selected Zoll as the device of choice, have purchased units together through a cooperative agreement between the Silver Cross Hospital (Joliet) EMS system and Zoll Medical Corporation. The quote which follows this correspondence reflects that volume purchase and associated discounts.

To: Mayor Robert J. Lovero
Members of the Berwyn City Council

Re: Recommendation to Approve the Purchase of a 2017 Ford F450 Dump Truck through the Northwest Purchasing Cooperative with is equivalent to the State of Illinois CMS joint purchasing program.

The City of Berwyn Public Works Department is requesting authorization to replace a 2000 Ford F350 pickup truck (vin 1FTSF31F7YEA566800) with a 2017 Ford F450 Dump Truck (see proposal included with this recommendation) with the full snow fighter package via Northwest Purchasing Cooperative (NPC) pricing. Our current pick up has several mechanical issues including rust, oil leaks, rust and anti-lock brake issues. This vehicle is at a point where it is not worth the time and expense to repair it. The new vehicle could be constructed, assembled and delivered in approximately 3 weeks; it will also include a full 1 year warranty from the date of delivery. The original cost for this unit as constructed would be \$81,949. With the NPC price reductions of \$11,101, our final cost is \$70,848. Upon completion, the new unit will be placed in service and become one of the front line responding snow removal units.

I would request the Finance Director declare (vin# 1FTSF31F7YEA566800) and the non-working snow plow as surplus and to authorize the Public Works Department to dispose of this vehicle through public auction

This unit is budgeted within the 2016 Public Works budget.

Recommended Actions:

Staff recommends approving the purchase of one 2017 Ford F450 dump truck with hydraulics, mounted salt spreader and the snow fighter package from Currie Motors for a total of \$70,848.

Respectfully,

Robert Schiller

Re: **Green Alley Program**

Dear Bob:

Enclosed is a copy of the "Tabulation of Bids" for the bids that were received and opened for the above-referenced project on December 9, 2016, at 10:00 a.m. Seven (7) bids were received and tabulated. Our review of the bids discovered one small computational error, which did not affect the resultant low bidder as shown.

The low bidder was Martam Construction, Inc., submitting a bid in the amount of \$2,188,582.00, which is \$318,208.00 (12.69%) under the Engineer's Estimate of \$2,506,790.00.

The low bid includes 12.5% for each Minority Business Enterprise (MBE) and Women Business Enterprise (WBE) participation that exceeds MWRD and IEPA grant requirements. The contractor will be required to submit a utilization plan prior to the start of work to ensure MBE and WBE levels are met as specified in their bid.

Martam Construction, Inc. has previously done work in the City and is qualified to perform this type of work. Therefore, we recommend that the Contract be awarded to **Martam Construction, Inc., 1200 Gasket Drive, Elgin, IL 60120**, in the amount of **\$2,188,582.00**

Please call if you have any questions regarding this matter.

Sincerely,

NOVOTNY ENGINEERING

Thomas R. Brandstedt, P.E.

NARRATIVES

PRIMARY NARRATIVE

Victoria Sawicki is requesting a handicapped parking sign in front of her residence located at 1323 Wenonah. She does not drive and has a valid IL handicapped placard# CH29483. Her husband and caretaker Randy Sawicki drives her to all of her appointments. Randy is requesting a sign instead of a drop off zone. He drives a black 1997 Chevy Tahoe Il plate# 2448520. He related that due to Victoria's medical condition it is very difficult to bring her in and out of the residence from the rear and that it would be safer and easier to bring his wife in the front door and be able to park out front. There are no signs on the block. The residence is a single family home with a 2 car garage.

DRAFT

Victoria does not meet the requirements for handicapped parking but does meet requirements the drop off zone according to the City of Berwyn ordinance 484.05
