

A Century of Progress with Pride

State of Illinois to Implement New E-Pay Website Effective November 27th 2018

Please be advised effective Tuesday November 27th 2018, the State of Illinois is implementing a newly rewritten website to handle all electronic bill pay functionality through the Treasurer's E-Pay office. As such and in order to retain E-Pay services on our website, the City of Berwyn is required to retire the [existing E-Pay website](#) and replace it with the State of Illinois' new electronic payments website as linked [here](#). This migration will begin late in the day on Monday November 26th 2018 and complete in its entirety the morning of Tuesday November 27th 2018. Beginning Tuesday November 27th 2018, please be sure to submit all electronic payments via the City of Berwyn's website through the new State of Illinois E-Pay system -- <https://magic.collectorsolutions.com/magic-ui/OneTimePayment/city-of-berwyn>.

To ease this transition for residents, the City of Berwyn has assembled an online guide, designed to provide step-by-step instructions, for using the new State of Illinois E-Pay platform. You may download this guide by following the link provided here -- https://www.berwyn-il.gov/sites/all/files/pdfs/Guides/EPay_2-0_Step_By_Step_NOV2018.pdf.

All E-Pay links on <https://www.Berwyn-il.gov> will be updated to reflect this change late in the day Monday November 26th 2018.
