Denis O'Halloran, Fire Chief
Thomas Hayes, Assistant Fire Chief

December 14, 2018
RE: Battery Powered Extrication Tools

BID OPENING: January 2, 2019 11:00 a.m.

LOCATION: 6700 W. 26th St., Berwyn, IL 60402

Dear Bidder:

Enclosed you will find information relating to the City of Berwyn Fire Department’s intention to bid to purchase Battery Powered Extrication Tools.

The materials enclosed are as follows:
1. Advertisement for Bids
2. Legal Notice to Vendors
3. General Conditions for All Bids
4. Bid Specifications
5. Bid Form
6. Proposal
7. Addendum Sheet
8. Vendor’s Certification of Eligibility

Please return your signed Bid Form, Proposal, Addendum and Vendor’s Certification of Eligibility in an opaque, sealed envelope, showing the Bid Identification, Date and Time of Opening in the lower left-hand corner of the envelope.
LEGAL NOTICE TO VENDORS

I. NOTICE is hereby given that the CITY OF BERWYN FIRE DEPARTMENT is accepting sealed bids for the purchase of new BATTERY POWERED EXTRICATION TOOLS. Specifications and bid packets may be obtained at the Office of the City Clerk, the CITY OF BERWYN, 6700 WEST 26TH STREET BERWYN, ILLINOIS 60402 or on-line at www.berwyn-il.gov

II. Bids for the equipment described herein will be received at the Office of the City Clerk, City of Berwyn, 6700 West 26th Street, Berwyn, Illinois 60402, until 11:00 a.m. on January 2, 2019, and will be publicly opened and read at that time.

III. Bids are non-transferrable. Only those Bids that have been obtained by, and with the approval of the City of Berwyn will be accepted at the bid opening.

IV. The CITY OF BERWYN reserves the right to determine responsibility at the time of award, reject any or all bids received, to re-advertise the proposed equipment, and to waive any technicalities of the Bid.

V. No proposal may be accepted from or contract awarded to any person, firm or corporation who is in arrears or in default to the City of Berwyn upon any debt or contract. Prior failure of a proposer to perform faithfully on any previous contract or work for the City of Berwyn may be grounds for rejection. The Proposer must have not been suspended or debarred from doing business with the state and/or federal government. The Proposer, if requested, shall present evidence of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these proposal documents. Such evidence shall be presented within a specified time and to the satisfaction of the City of Berwyn.
CITY OF BERWYN FIRE DEPARTMENT
REQUEST FOR BIDS ON PURCHASE OF BATTERY POWERED EXTRICATION TOOLS

DATE: December 14, 2018

ITEM: New Battery Powered Extrication Tools

Bids will be received until January 2, 2019 at 11:00 a.m. on the equipment specified herein. The Date and Time as stated, is also the time of the public bid opening, unless modified by the City of Berwyn. All Vendors are welcome to attend this opening.

GENERAL CONDITIONS

1. PREPARATION OF BIDS

Each bid shall be submitted on the Bid Form furnished in these documents. All bids must be written in black ink or typewritten, and signed with the legal signature of the Bidder, enclosed in an opaque envelope, sealed and clearly marked showing the bid identification, and date and time of opening in the lower left-hand corner. The envelope must also contain the name and address of the bidder. The bidder must insure that the "sealed bid" envelope is properly identified. The City of Berwyn is not responsible for the premature opening of bid envelopes that are not properly marked. Any bids which are opened prior to the scheduled bid opening because of a failure to properly mark the envelope in accordance with this section shall be deemed nonresponsive and not considered.

a. The Proposer is responsible for all costs related to the preparation of this proposal.
b. Any cost associated with the delivery and installation of the Battery Powered Extrication Tools not specifically set forth in this Request for Proposal will be the responsibility of the vendor, and will be deemed included in the fees and charges bid herein.
c. This proposal must be summarized in letter form on the vendor's letterhead stationary. The letter must be signed by an officer of the vendor or a designated agent empowered to bind the firm in the contract offer. Acceptance or exception to our terms must be noted in the letter.
d. At least (3) references from companies or agencies that have utilized services from your company. The company's name and address, a contact name, title and phone number must be included with the reference information.
e. COLLUSIVE PROPOSING. The Proposer certifies that the proposal is made without any previous understanding, agreement or connection with any person, firm, or corporation making a proposal for the same project, without prior knowledge of competitive prices, and that the proposal is in all respects fair, without outside control, collusion, fraud or otherwise illegal action.

2. EXAMINATION

Each bidder/vendor shall examine each and every part of the Specifications in order to comply with all requirements. The terms “bidder” and “vendor” are used synonymously throughout these bid documents.
3. **ERRORS AND OMISSIONS**

All bidders are requested to notify The City of Berwyn immediately of any errors or omissions that are encountered. If a mistake in these documents is discovered after the bid opening, The City of Berwyn will be the sole judge of whether the mistake requires the submission of new bids. This decision shall be final and not subject to recourse. Errors and omissions by the Bidder on the Bid Form cannot be corrected after the bid opening. The bid will be rejected if the error or omission on the Bid Form results in a material defect. Mere computational errors on the Bid Form will be corrected by The City of Berwyn.

4. **TIMELY SUBMISSIONS**

The receipt of bids will cease at the date and time set forth above for the receipt of bids. Bids received after the scheduled date and time will not be considered unless evidence is presented, acceptable to The City of Berwyn that it was in possession of the bid prior to the bid opening date and the bid was misplaced while in possession of The City of Berwyn. Bids will not be accepted after the scheduled date and time of opening, and any bids received late will be returned to the bidder unopened, if at all possible. In many instances it is impossible to determine whom the bid is from unless it is opened. Should this be the case, the bid will be opened, address secured, and returned immediately. The City of Berwyn is not responsible for delays occasioned by the U.S. Postal Service, the internal mail delivery system of the City of Berwyn, or any other means of delivery employed by the bidder. Similarly, the City of Berwyn is not responsible for, and will not open, any bid responses which are received later than the date and time stated.

5. **QUALIFICATIONS OF BIDDERS**

The City of Berwyn may take action deemed necessary to investigate the qualifications of each bidder. The City of Berwyn reserves the right to qualify or disqualify bidders as a result of lack of similar product experience and/or any other information obtained from the affidavit of experience form or otherwise. Details of the qualifications and requirements are found in the Terms and Conditions, below.

6. **TAXES**

The City of Berwyn is exempt from all Federal, State of Illinois and other State Taxes on the purchase of commodities and services used by the City of Berwyn within the State of Illinois. The Finance Department shall provide a tax exemption certification to out-of-state taxes imposed on purchases of commodities and/or services which are used within another state and are applicable and subject to payment.

7. **DELIVERY DATE**

Bidder shall make delivery by the date set forth in the Specifications. Failure to deliver within the specified time shall constitute a breach of the agreement.
8. **SUBSTITUTIONS**

The City of Berwyn shall be the sole and final judge as to whether any substitute is of equivalent or better quality. This decision is final and will not be subject to recourse by any person, firm, or corporation.

9. **ADDENDA AND INTERPRETATION**

All interpretations and requests for interpretations of the Bid Documents must be made in writing. Any addenda shall become part of the Contract Documents.

10. **AWARD SELECTION**

Bids will be awarded to the lowest responsible bidder complying with the conditions and Specifications presented herein. Although price is a major consideration in the award of bids, The City of Berwyn does not award on price alone. The City of Berwyn also considers the quality of product, as judged by The City of Berwyn, terms of delivery, serviceability and any and all other factors permitted by law. No bids may be withdrawn after the official opening. All bids submitted must be valid for a minimum of **sixty (60) days** after the date set for the bid opening.

Ease of serviceability will be a factor considered. The bidder shall list the address and location of all factory authorized service centers showing evidence of being able to render quick and reliable service.

The City of Berwyn also reserves the right to: determine whether the selection, in its judgment, meets the needs or purposes intended; to increase or decrease the quantities shown on the bid; to reject any and all price or bids submitted and to waive any formality or technicality. Such decisions shall be final and not subject to recourse.

11. **CONTRACT**

The Bidder to whom the contract is awarded is required to enter into a contract with The City of Berwyn for the purchase of the equipment, and the Bidder must provide a full and complete copy of all such contract documents.

a. **AVAILABILITY OF FUNDS.** A contract shall be deemed valid only to the extent for appropriations available to each project. The City of Berwyn’s extended obligation on these contracts, which envision extended funding through successive fiscal periods, shall be contingent upon actual appropriation for the following fiscal year.

b. **CONTRACT ALTERATIONS.** No alterations or variations in the terms of a contract shall be valid or binding upon the City of Berwyn unless authorized in writing by both parties.

c. **SUBLETTING OF CONTRACT.** Proposer shall not assign, transfer, convey, sublet or otherwise dispose of the contract or their right, title or interest therein, or their power to execute such contract to any other person, firm or corporation without the prior written consent of the City of Berwyn, but in no case shall such consent relieve the Proposer from their obligations, or change the terms of the contract.

d. The contract shall be on forms provided by the City of Berwyn; or if the Proposer’s contract document is used, the City of Berwyn reserves the right to modify and document to conform to the request for proposal and to do so in the light most favorable to the City of Berwyn.
12. **INVOICING AND PAYMENT**

Terms for payment are as follows:

The City of Berwyn reserves the right to negotiate payment terms with the selected Bidder. Bidders shall include information on any discounts that may be applied to the equipment with a prepayment discount.

The Vendor shall issue an invoice after acceptance of the product by The City of Berwyn. Invoices shall be typed and sent to The City of Berwyn, 6700 W. 26th St., Berwyn, IL 60402, Attn.: Fire Dept., containing the following information:

1. The name, address and phone number of the Vendor;
2. Any payment discount terms offered;
3. An itemization of all materials, supplies and equipment provided;

The City of Berwyn is not subject to Federal Excise Tax or Illinois Retailers Occupational Tax. Quote all prices F.O.B. Berwyn, Illinois, including all freight and delivery charges to its facility.

13. **COMPLIANCE WITH LAWS**

All materials, supplies and equipment provided under this bid must comply with all federal, state, county and local laws, ordinances, rules, regulations and orders that in any manner affect the production and sale of the product or service contained herein. Additional certifications, attached as addenda, will be required in the event federal, state, or municipal funds are being used to fund this contract. Lack of knowledge on the part of the Vendor will in no way be cause for release of this obligation. The City of Berwyn reserves the right to reject any bid, cancel any contract and pursue any other legal remedies deemed necessary if it becomes aware of violation of any laws on the part of the Vendor.

14. **MATERIALS**

All materials supplied by the Vendor under the provisions of this document and any attachments hereto shall be new materials of the kind and character called for. Defective equipment or materials, including material damaged in the course of manufacture, shipping, delivery, installation or testing shall be replaced or repaired in a matter satisfactory to The City of Berwyn. All material and equipment furnished under these Specifications shall be the standard product of a manufacturer regularly engaged in the production of such material and shall be the manufacturer's current standard design.

15. **WARRANTY/ GUARANTEE**

The Vendor warrants to The City of Berwyn that all materials, supplies and equipment furnished will be of good quality and new unless otherwise required or permitted by the Specifications, that the materials, supplies and equipment will be free from defects not inherent in the quality required or permitted, and that the materials, supplies and equipment will conform to the Specifications. Materials, supplies and equipment not conforming to the Specifications, including substitutions not properly approved or authorized are defective and will be rejected by The City of Berwyn. This warranty excludes remedy for damage or defect caused by abuse, modifications not executed by the Vendor, improper or insufficient maintenance, improper operation, or normal wear and tear and normal usage.
Vendor must provide The City of Berwyn with a full copy of any manufacturer's warranty or guarantee information. If necessary, the Bidder will assign all manufacturers' warranties to The City of Berwyn.

16. FAIR EMPLOYMENT

Vendor's signature on the Bid Form will be construed as acceptance of and willingness to comply with all provisions of the acts of the General Assembly of the State of Illinois relating to wages of laborers, preference to citizens of the United States and residents of the State of Illinois, and discrimination and intimidation of employees (if applicable). Provisions of said acts are herein incorporated by reference and become a part of this Proposal and Specifications.

17. EQUAL OPPORTUNITY

In connection with the performance of work under this contract, the Vendor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability, sexual orientation or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or compensation, and selection for training, including apprenticeship. The Vendor further agrees to take affirmative action to ensure Equal Employment Opportunities. The Vendor agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the Equal Opportunity Clause.

18. NON-BARRED BIDDING

The Bidder must certify that it is not barred from bidding on this contract as a result of a conviction for the violation of state laws prohibiting bid-rigging or bid-rotating by executing the included certification.

19. TRAINING ON EQUIPMENT

Each Bidder shall include with its bid a representation that it shall provide training in the use of the equipment and each component part and sub-assembly thereof and equipment supplied therewith. If the Bidder intends to be compensated for such training then the amount of such compensation must be specifically stated in the Bidder’s bid. The City of Berwyn, in its sole and exclusive discretion, shall retain the right to refrain from having its employees participate in any such training should the Fire Chief determine that no such training shall be needed. In the event that the said Fire Chief elects not to train or have any of its employees train on the equipment or any component part or sub-assembly thereof or equipment supplied therewith, The City of Berwyn shall not be obligated to pay the amount provided for training in the successful Bidder’s bid.

20. INTENT OF SPECIFICATIONS

It shall be the intent of these specifications to cover the furnishing and delivery of the specified equipment. These detailed specifications cover the requirements as to the type of construction, finish, equipment and tests to which the equipment shall conform. Minor details of construction and materials, which are not otherwise specified, are left to the discretion of the contractor.

21. INSTRUCTIONS TO BIDDERS

The purchaser’s standards for bidding the equipment must be strictly adhered to, and all bid forms and questions must be complete and submitted with the bid. Omissions and variations shall result in immediate rejection of the bid.
CORRECTIONS TO SUBMITTED PROPOSALS. Any changes that are made to this proposal using correction fluid, writing utensils, etc. before submission must be dated and initialed in each area that a change is made.

Bids shall only be considered from companies that have an established reputation in the field of extrication/rescue equipment manufacture, sales and service. Bidder shall state the number of years' experience that they have in the manufacture, sales and service of extrication equipment.

Furthermore, in order to insure fair, ethical, and legal competition, neither the original equipment manufacturer (O.E.M.) nor parent company of the O.E.M. shall have ever been fined or convicted of price fixing, bid rigging, or collusion in any domestic or international fire apparatus market (no exception).

If a bidder represents more than one brand of extrication equipment, they must only bid the top of the line that meets specification.

Any extrication equipment manufacturer or their parent company that has had a performance bond called in the last 10 years shall not be eligible to bid. Any bids from these manufacturers shall be immediately rejected (no exception).

The purchaser will utilize this advertised specification to compare all submitted bid proposals. To facilitate comparison, all bid proposal specifications shall be submitted in the same sequence as the advertised specification. Any bidder who fails to submit a set of bid proposal specifications, or who photo copies and submits these specifications as their own construction details will be considered non-responsive. This shall render such proposal ineligible for award.

THE PURCHASER HAS THE RIGHT TO REJECT ANY BIDS WHICH DOES NOT MEET THESE SPECIFICATIONS AND IS THE SOLE DECIDER TO DEEM WHICH BID IS IN THE BEST INTEREST OF THE PURCHASER.

22. EXCEPTIONS

Bidders shall indicate in the "yes/no" if their bid complies on each item (paragraph) specified.

If a product brand name is specified and is commercially available to all bidders, an exception to such items is not acceptable and such bid may be rejected.

Exceptions shall be allowed if they are equal to or superior to that specified and provided they are listed and fully explained on a separate page. All deviations, no matter how slight, shall be clearly explained on a separate sheet, in the bid sequence, citing the page and paragraph number(s) of the specifications, how the proposal deviation is different, how the deviation meets or exceeds the specifications and why it is necessary, and entitled "EXCEPTIONS TO SPECIFICATIONS". The buyer reserves the right to require a bidder to provide proof in each case that a substituted item is equal to that specified. The buyer shall be the sole judge in determination of acceptable substitutes.

Proposals that are found to have deviations without listing them or bids taking total exceptions to these advertised specifications will be rejected (no exception).

Bids not including all exceptions is a material breach and shall result in the bid being immediately rejected (no exception).
23. **NFPA 1936**

Bidders shall provide documentation to The City of Berwyn Fire Department that all tools in this bid have been third-party tested and certified to *NFPA 1936 Standard on Powered Rescue Tools* (latest edition).

24. **PAYMENT PROVISIONS**

**PAYMENT TERMS.** Payment may be made only after inspection and acceptance by the using department. Payment of balances shall be made only after approval and final acceptance by the City of Berwyn.

**INVOICING.** Following acceptance of each payment term, payment shall be made within forty-five (45) calendar days from receipt of itemized invoice. Before the City of Berwyn will pay any invoice, the invoice must include a detailed description of all charges, the proposal number, department name, dollar amount, and any other pertinent information. Submit invoice in duplicate to:

City of Berwyn  
Finance Department  
6700 West 26th Street  
Berwyn, IL 60402

**WITHHOLDING PAYMENT.** Consideration for withholding payment shall include faulty materials or workmanship, failure to meet delivery deadlines, and liens that have been filed, or evidence indicating a filing of claims. In all cases, regulations and limitation are set by the Federal Government.

25. **QUESTIONS**

All questions and clarifications regarding this Request for Proposal must be submitted no later than 4:00 p.m. December 26, 2018 by e-mailing the following City Representative:

Thomas Hayes  
Assistant Fire Chief  
thayes@ci.berwyn.il.us  
(708) 749-6507

*The Bidder, by signing the Bid Form, acknowledges, understands and abides by all of the above "General Conditions."*
BATTERY OPERATED EXTRICATION EQUIPMENT
SPECIFICATIONS

BATTERIES

Specification B.001
Bid Quantity of six (6) batteries.

Bid Quantity of one (1) battery charger per tool or (1) charger capable of charging at least three (3) batteries simultaneously. Vendor must provide information from the battery manufacturer regarding the manner in which batteries must be charged and how the charging process affects the battery life.

Does your bid comply? YES______ NO ______

Specification B.002
Battery must have a minimal 2-year warranty from the manufacturer covering defect and performance problems.

Does your bid comply? YES______ NO ______

Specification B.003
Tool must allow the ability to operate from a 110v plug adapter.

Bid Quantity of one (1).

Does your bid comply? YES______ NO ______

Specification B.004
Battery must be listed as a separate line item (price for each battery) in bid. Vendors who do not comply will not be considered.

Does your bid comply? YES______ NO ______

SPREADERS

Bid a quantity of one (1).

Specification S.005
As a major component of this specified rescue tool system, this hydraulic spreader shall be designed in accordance with modern manufacturing
techniques, and shall use materials of high strength and that are lightweight. Since this system is to be operated primarily by a single rescuer, the weight of the spreader tool is a major consideration of these specifications. Bidders responding to this bid shall take this information into consideration when bidding this component.

In this bid specify the total weight of the spreader unit. This shall be a “wet” weight, and shall include the complete spreader and battery.

Does your bid comply? YES______ NO ______

Specification S.006
This component shall be as small and compact as possible.

In this bid specify the total length and width of the spreader unit. The width dimension is that taken when the tool is in the fully closed position and including handle.

Does your bid comply? YES______ NO ______

Specification S.007
As this tool is to be used in situations where maximum spreading force is necessary, the following performance specifications are considered minimum. The spreading tool shall have an open distance of at least 24 inches / 610 mm.

Does your bid comply? YES______ NO ______

Specification S.008
The spreader shall produce a spreading force of up to 140,000 lbf.

Does your bid comply? YES______ NO ______

CUTTERS

Bid Quantity of one (1).

Specification C.009
The hydraulic cutting tool with this system shall be designed in accordance with modern manufacturing techniques, and shall use materials of high strength and lightweight. When used as a component of this system, the cutting tool is to be operated primarily by a single rescuer. Therefore, the size and weight of the hydraulic cutting tool is a major consideration of these specifications. Bidders responding to these specifications shall take this information into consideration when bidding this component.

Does your bid comply? YES______ NO ______
Specification C.010
The cutting tool as specified in this specification is to function as a “stand alone” component of the rescue tool system. Any system bid that requires the cutter to operate as part of the spreader tool will not be acceptable.

Does your bid comply? YES______ NO ______

Specification C.011
In this bid specify the total weight of the cutter unit. This shall be a “wet” weight, and shall include the cutter and battery.

Does your bid comply? YES______ NO ______

Specification C.012
This component shall be as small and compact as possible.

In this bid specify the total length and width of the cutter unit. The width dimension shall include any handles or extensions.

Does your bid comply? YES______ NO ______

Specification C.013
This tool will be used in rescue situations where operating area is minimal, and where maximum cutting force is necessary. The following performance criteria will be considered as minimum. The hydraulic cutting tool shall have a maximum blade opening of at least 7 inches / 177 mm.

Does your bid comply? YES______ NO ______

Specification C.014
The hydraulic cutting tool shall be able to cut up to 1.75 in diameter round stock steel.

Does your bid comply? YES______ NO ______

Specification C.015
The hydraulic cutting tool shall be third party tested and certified to NFPA 1936 (latest edition). The manufacturer must provide documentation of this certification to the end user.

Does your bid comply? YES______ NO ______
Specification C.016
The hydraulic cutting tool shall have a minimum NFPA 1936 rating of: A8/B9/C7/D9/E9.

Does your bid comply? YES______ NO ______

Specification C.017
The cutter blades must be forged, to ensure longer life of the blades. Non-forged cutter blades are not acceptable, since they do not last as long as forged blades.

Does your bid comply? YES______ NO ______

Specification C.018
The cutter must provide a “dead man” control characteristic.

Does your bid comply? YES______ NO ______

Specification C.019
To maintain operator familiarity with this rescue system, the operating controls of the cutting tool shall be designed and operate as those found on the spreading tool. Therefore, the cutting tool control mechanism shall meet all requirements as found in the spreader control mechanism.

Does your bid comply? YES______ NO ______

Bid Quantity of one (1).

Specification R.020
This component shall be as small and compact as possible.

In this bid specify the total length, both retracted and extended, as well as width of the RAM unit. The width dimension shall include any handles or extensions.

Does your bid comply? YES______ NO ______

Specification R.021
The total RAM extended length should be a minimum of 50”. If the extended length in Specification R.020 is not 50” then bid as an option RAM extensions that are available to meet this requirement.

Does your bid comply? YES______ NO ______
Specification R.022
The RAM must provide a “dead man” control characteristic.

Does your bid comply? YES______ NO ______

Specification R.023
The RAM shall have a maximum spreading force of at least 25,021 lbf / 111.3 kn (NFPA HSF, or Highest Spreading Force).

Does your bid comply? YES______ NO ______

Specification MB.024
Bid any corresponding mounting brackets that are specific to the tools. Installation of the brackets is not required.

Does your bid comply? YES______ NO ______

**BID FORM**
