

DAVID J. AVILA

BERWYN TOWNSHIP ASSESSOR

B --

My Office is now accepting 2018 exemption forms.

The Homeowners Exemption automatically renews every year. If you are currently receiving a homeowners exemption, there is nothing further you need to do.

The Senior Exemption and the Senior Freeze must be renewed every year. Our new Cook County Assessor, Fritz Kaegi has recently mailed out all the renewal forms for the Senior Exemption/ Senior Freeze for 2018. The forms are also available on my website WWW.BERWYNASSESSOR.ORG. For the Senior Freeze, please remember to bring in your 2017 federal income taxes with you. These are needed to complete the application. February 5, 2019 is the last day to turn them into my office.

Another e-mail will be sent to you regarding information on the upcoming Disabled Homeowners and Disabled Veterans exemption forms.

For more information about exemptions, please contact my office at (708)788-6600.
